## Experience

### Mini Misie Preschool

#### English Teacher

Warsaw, Poland  
Feb 2024-Present

- Plan and deliver dynamic, age-appropriate English lessons for preschool children, using storytelling, music, crafts, and sensory play to create immersive language experiences.
- Spearheaded the launch of themed English activity programs, including seasonal "English Corners," promoting interactive learning and parent engagement.
- Developed personalised language development plans, tracking individual student progress and adapting strategies for varied learning styles and needs.
- Lead organiser of school-wide cultural events and English showcases, fostering children's confidence, public speaking skills, and cultural awareness.
- Actively collaborated with teachers and administration to enhance curriculum design and integrate English language learning across subjects.
- Utilised modern educational tools (e.g., LiveKid, Canva, puppetry, and interactive apps) to enrich classroom experiences and strengthen communication with families.

### Web Tatweer

#### Poland Branch Manager

Warsaw, Poland  
Jan 2024-Present

- Leading the operations and growth strategy for Web Tatweer's Poland branch, bridging regional opportunities with global tech expertise.
- Managing diverse technology projects with a strong focus on efficiency, innovation, and tailored client solutions.
- Supporting both startups and large enterprises in achieving scalable digital transformation across Europe.
- Coordinating between international teams and ensuring high-quality project delivery within deadlines and budgets.
- Enhancing the company's presence in the European market through strategic partnerships and local outreach.

### Brighton Academy

#### English Teacher

Warsaw, Poland  
2023

- Designed and delivered engaging English language lessons for primary students, focusing on grammar, vocabulary, and reading comprehension, using technology and interactive methods to enhance learning.
- Assessed students progress regularly through quizzes, presentations, and assignments, providing personalized feedback and support to ensure continuous improvement.
- Led extracurricular activities and collaborated with other teachers, integrating English into broader educational themes and fostering practical language use in real-world contexts.

**Little Academy**  
**English Teacher**

Warsaw, Poland  
2023

- Designed and implemented engaging English language programs for preschool children, using songs, games, and storytelling to teach basic vocabulary and conversational skills.
- Created a nurturing classroom environment that encouraged young learners to explore English through playful and interactive methods.
- Collaborated with parents and staff to support consistent language development, providing resources and monitoring each child's progress.

**Leadership & Activities**

- Initiated and led interactive "English Corner" sessions and school-wide themed events, boosting student participation, language confidence, and parent involvement.
- Designed and facilitated language workshops and cultural showcases, creating enriching cross-cultural learning experiences for children and families.
